

The Student Services Office maintains a list of tutors on the Undergraduate website for Informatics students to contact to hire. If you would like to be designated on our site as available for tutoring in Undergraduate Informatics courses, please fill out the following form and return it to the Student Services Office in the Informatics Building room 120.

If you are an AI this semester, please note: ***An associate instructor may NOT be a paid tutor for students in an Informatics course.*** Each application must be cleared by the Student Services Office. Fees and meeting times are arranged between the tutor and the student being tutored.
